JOIN THE FEST WORKSHOP ECODESIGN TUESDAY 27 JANUARY 2015 BRUSSELS - HALF DAY FROM 10 AM - 2 PM

European merchants : we want this to be your Energy Efficiency Forum and to reflect the issues that you consider important so please come to our workshop

FEST is working with the national members associations including the large national merchants to coordinate a whole-sector response to proposals from the European Commission to change the way the Energy Efficiency is treated. Therefore FEST is setting up **a workshop just for merchants** in the heating sector. The workshop is being organised in close cooperation with the German Federation VdZ, the Forum for Energy Efficiency in the Building Technics. We are delighted that **Dr. Michael Herma**, VdZ director, has agreed to be key speaker in this meeting, the venue for which will be **Van Marcke's Big Blue Expertise Center**, Leuvensesteenweg 390 – Zaventem.

We aim to deliver the latest energy efficiency information and insight to complement your trading activities. **M. Tim Krögel** of ZDH Brussels will develop briefings on legislation, i.e. the energy related Products Directive (what it is and which are the consequences for the HVAC-business). Key speaker **dr. Michael Herma** will speak about the labeling of heating systems. **M. Ansgar Redder** will chair the discussion about the ErP-platform. Merchants will be able to share ideas, network and communicate with each other.

We want this to be your Forum and to reflect the issues that you consider important so please come to our workshop on **Tuesday 27 January 2015** at **Van Marcke's Big Blue**, Leuvensesteenweg 390 – 1932 Zaventem. The meeting will **start at 10 am** and **finish** with a networking quick lunch **by 14 pm**.

RECOMMENDED HOTELS / ARRIVALS NIGHT BEFORE : (please feel free to choose another hotel) : Sheraton Brussels Airport Hotel, NH Hotel Brussels Airport or Crowne Plaza Brussels Airport (all hotels very near to the venue Van Marcke's Big Blue). **Attention !** Bedroom bookings on individual charge by individual participants directly to the hotel, you are encouraged to reserve one as soon as possible.

Participation : free of charge - simply answer yes/no participation and mention your name and company by emailing back to : info@festnews.net

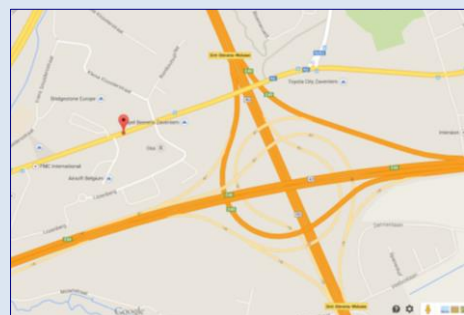

The confirmation of the registration and full half day Programme will be available and sent to each participant after receiving the participation e-mail.
